

**CHRISTIAN WORKERS'  
OPENING PROGRAM**

First Lecture Delivered by Miss  
Cartwright Tuesday.

THE TALK WAS A FINE ONE

Tabernacle Was Well Filled, and Those  
Who Attended Were Very Much En-  
lightened on Many Religious Sub-  
jects—Services This Week.

The first day's session of the great  
Christian Workers' Institute, which  
followed the session of the Bible Con-  
ference at the Tabernacle, was one  
full of interest, and was well attended,  
despite the inclement weather. While  
the services of the Institute will not  
be so frequent as those of the Bible  
Conference, they are destined to be-  
come most popular, as the class of  
Bible workers will be the best that can  
be procured in the United States,  
which means that the lectures will be  
full of instruction and interest.

The first lecture of the Christian  
Workers' Institute was delivered at  
the Tabernacle Tuesday afternoon at  
8 o'clock, and was largely attended.  
Upon this occasion Miss Cartwright,  
an earnest Christian worker and Bible  
student of Tennessee, delivered the ad-  
dress, and for an hour her remarks  
commanded the closest attention.  
Miss Cartwright is possessed of a  
strong, eloquent voice, which can be  
distinctly heard from all parts of the  
big tabernacle, and those present  
Tuesday express themselves as being  
enlightened by her remarks.

As was announced from the Taber-  
nacle rostrum by Dr. Strouse Sunday  
evening, services during the present  
week will be held only once daily, at  
3 o'clock in the afternoon, which will  
give all an opportunity to attend. The  
public is cordially invited to all ser-  
vices.

**A Silver Tea.**

The Earnest Workers' Society of the  
First Presbyterian Church will give a  
silver tea at the home of Mrs. H. A.  
Ford, East Church street, from 4 to 6  
o'clock this afternoon, to which the  
public, especially strangers, are cor-  
dially invited. The afternoon will be  
passed off in an appropriate manner,  
the program being interspersed with  
vocal and instrumental music.

**Health**

Means the ability to do a good day's  
work, without undue fatigue and to  
find life worth living. You cannot  
have indigestion or constipation with-  
out it's upsetting the liver and pol-  
luting the blood. Such a condition  
may be best and quickest obtained by  
Herbine, the best liver regulator that  
the world has ever known. Mrs. D.  
W. Smith writes, April 3, 1902: "I  
use Herbine, and find it the best medi-  
cine for constipation and regulating  
the liver I ever used." Price 50 cents.  
Sold by W. M. Johnson.

**BOUGHT MORE STOCK.**

N. A. Callison of Spring Park Farm  
Determined to Lead the State.

Judging from the large number of  
registered stock purchased within the  
past few months by N. A. Callison,  
manager of Spring Park Farm at Ben-  
nington, it would seem certain that Mr.  
Callison intends to lead the State in  
the matter of registered stock. It will  
be remembered that several weeks ago  
he received from Texas a carload of  
registered Hereford cattle and Berk-  
shire hogs, which were imported at a  
tremendous cost. A short time after a  
consignment was received from the  
famous Biltmore estate, North Caro-  
lina, and now Mr. Callison has just re-  
ceived another carload of fine reg-  
istered sows from the same estate, two  
of which were imported direct. The  
stock is the finest ever seen in this sec-  
tion, ranging from 400 to 500 pounds in  
weight.

Mr. Callison has just received eight  
fine mules, which were purchased from  
parties in Savannah, and with all stock  
on hand Spring Park Farm is certainly  
well equipped.

**Mrs. Cellon Laid to Rest.**

The funeral of Mrs. Missaure Cel-  
lon, the sad death of whom occurred  
at the home of her son, North Garden  
street, Sunday afternoon, was held at  
Antioch cemetery, near Hague, Mon-  
day afternoon, Rev. T. J. Nixon of  
Kavanaugh Methodist Church, this  
city, officiating.

Deceased was about eighty-nine  
years of age at the time of her death.  
She was born in Thomasville, Ga., and  
married John A. Cellon. As early as  
1840 she moved to Florida, settling  
near Hague, where several children  
were born to her. In 1883 her husband  
died, and was interred at Antioch.

Deceased is survived by four sons,  
James, Frank E., Francis M. and  
George Cellon, and one daughter, Mrs.  
George Cheeser of LaCrosse, to whom  
the sympathy of friends is extended.

**MEMORIAL SERVICES IN CHICAGO**

Held in Honor of the Death of Grand  
Duke Sergius of Russia.

Chicago, Feb. 21.—Elaborate memori-  
al services in honor of the Grand  
Duke Sergius has been celebrated in  
the Russian orthodox church, North  
Leavitt street and Haddon avenue.

Baron Schlippenbach, the Russian  
consul, and vice consul, Prince En-  
galtcheff, were present. The services  
were conducted in the Slavic lan-  
guage. In a short sermon in Russian  
the Rev. John A. Kochroff urged the  
worshippers to pray for the soul of  
Sergius who, he said, was slain by an an-  
archist. He blamed the American peo-  
ple for showing sympathy with the  
Russian revolutionists of whose class,  
he declared, was the murderer of Pres-  
ident McKinley.

**Grave Trouble Foreseen.**

It needs but little foresight to tell  
that when your stomach and liver are  
badly affected, grave trouble is ahead,  
unless you take the proper medicine  
for your disease, as Mrs. John A.  
Young of Clay, N. Y., did. She says:  
"I had neuralgia of the liver and  
stomach, my heart was weakened, and  
I could not eat. I was very bad for a  
long time, but in Electric Bitters I  
found just what I needed, for they  
quickly relieved and cured me." Best  
medicine for weak women." Sold un-  
der guarantee by all druggists at 50c a  
bottle.

**SAVED CITY FROM BIG FIRE.**

Indian Students of Near Santa Fe, N.  
M., Come to the Rescue.  
Chicago, Feb. 21.—A dispatch from  
Santa Fe, N. M., says:  
Students from the Indian school 4  
miles out have saved Santa Fe from  
destruction by fire.

Flames broke out in the finest busi-  
ness block in the place, spread to  
other stores and threatened the entire  
commercial district. The local fire-  
men seemed unable to check the fire  
and called on the Indian school for  
assistance. The boys responded  
quickly, dragging a hose cart through  
the mud for 4 miles and arriving at  
a critical time. The fire was brought  
under control after it had caused a  
loss of \$75,000. Two firemen were  
hurt by falling walls.

**Itch—Ringworm.**

E. T. Lucas, Wingo, Ky., writes,  
April 25th, 1902: "For 10 to 12 years  
I had been afflicted with a malady  
known as the 'itch.' The itching was  
most unbearable. I had tried for  
years to find relief, having tried all  
remedies I could hear of, besides a  
number of doctors. I wish to state  
that one single application of Ballard's  
Snow Liniment cured me permanently.  
Since then I have used the liniment  
on two separate occasions for ring-  
worm and it cured completely. 25c.  
50c and \$1 bottle. Sold by W. M.  
Johnson.

**A Five Cent  
Lunch**

A package of  
**Uneeda Biscuit** forms the basis  
of an ideal lunch. Ideal because they  
do good as well as taste good—muscle build-  
ing as well as palate pleasing.

**Uneeda  
Biscuit**

are good anywhere and everywhere. Good for the child's  
lunch as the working man's; equally good as the basis of  
a luncheon or a substantial meal. You can't  
really understand their goodness until you try them.

**5c****NATIONAL BISCUIT COMPANY****Came Near Lynching Negro.**

New York, Feb. 21.—President  
Roosevelt's home town, Oyster Bay,  
within 20 miles of the outskirts of  
Greater New York, came near being  
the scene of a negro lynching early  
Sunday morning. Only the calmer  
heads of some of the leading citizens,  
who counseled deliberation, saved  
"Diamond Dick" Johnson, a familiar  
character, who had murderously as-  
saulted Dr. Louis Keyser, from being  
strung up at the end of a rope. As it  
was the negro had to be hurried away  
from Oyster Bay and locked up in the  
county jail at Mineola before quiet  
and all danger was past.

**Agonizing Burns**

Are instantly relieved, and perfectly  
healed, by Bucklen's Arnica Salve. C.  
Rivenbark, Jr., of Norfolk, Va., writes:  
"I burnt my knee dreadfully—that it  
blistered all over. Bucklen's Arnica  
Salve stopped the pain, and healed it  
without a scar." Also heals all wounds  
and sores. 25c at all druggists.
